

What Does a Greeter Do?

The role of the “greeter” is primarily to welcome our guests on behalf of the church and assist with getting dinner organized and served as needed.

- 1) Plan to meet UMPA Hotel de Zink staff around 8:30 pm on the night promised. Identify the UMPA staff and introduce yourself, You can stay as long as you like, but the clients generally like to go to bed soon after eating dinner. Dinner is served at 9 pm.
- 2) Socialize with the staff and clients.
- 3) Help staff serve dinner and encourage proper clean-up of the kitchen area by the clients.
- 4) Communicate to Hotel de Zink captains if for any reason supplies are low. Relay any issues or problems that you see or anticipate to UMPA staff and or Hotel de Zink Committee members.
